

ザ・鉄板焼き・エクスペリエンス

The Teppanyaki Experience

This is a style of Japanese cuisine that uses an iron griddle to cook food. The word Teppanyaki is derived from Teppan which means iron plate and Yaki which means grilled.

Enjoy the skills of our chefs as they display their individual dexterity, slicing, dicing, juggling and flashing the tools of the trade. It is a personal dining experience, one in which you are consulted and can be involved.
